<i>Ground Handling Horses Safely</i> – Available in VHS only. An excellent source of information for helping you better teach and practice horse ground handling safety. The tape contains 18 minutes of informative programming.	1-5 (shipping included)	\$20.00	
	5 or more (call for shipping charges)	\$15.00	
Facilitator Guide and Lesson Plan		\$4.00	
Equine Awareness Youth Education Program		\$6.00	
<i>Every Time...Every Ride...Circle</i> VHS or DVD - An educational video on head injury prevention is a must for all riders, instructors, horse clubs and parents of children who ride. Narrated by William Shatner, this professionally produced, approximately 20 minute, educational video demonstrates the need for SEI* protective headgear. Interviews blended together with excellent footage of horses in a wide variety of sports show the benefits of wearing the proper helmet--as well as the unfortunate consequences of riding without one.	1-5 (shipping included)	\$15.00	
	5 or more (call for shipping charges)	\$11.00	
GHHS/ETER Set - Circle Two videos or Video/DVD set		\$30.00	
<i>Chesta's Way</i> book The True Story of City Kids and Calves by Mary Jacobson. <i>Chesta's Way</i> is the story of a remarkable woman, her sacrificing, supportive family, an especially caring community, and their special way of serving at-risk kids.		\$14.95
